Publisher: Bastas

Copyright and Licensing: Authors retain the copyright of their articles and have full control over their own published scholarly work. Authors are not asked to transfer copyrights to Bastas. This allows the scientific community to have free and immediate access to the content as soon as the work is published online.

Authors grant Bastas the right of first publication and dissemination of the articles. As the original publisher, Bastas publishes articles under a permissive Creative Commons Attribution License (CC BY 4.0), which allows third parties to distribute, remix or build upon the work, even commercially, as long as they credit the authors for original article.

EUROPEAN JOURNAL OF SCIENCE AND MATHEMATICS EDUCATION

The **European Journal of Science and Mathematics Education** aims to stimulate discussions on contemporary topics in science and mathematics education and to foster the application of the results in primary, secondary, and higher education in the countries of Europe and other countries. The journal is open-access, peer-reviewed and published quarterly.

AIMS AND SCOPE

The **European Journal of Science and Mathematics Education** is founded to stimulate discussions on contemporary topics in Science and Mathematics Education and to foster the application of the results in primary, secondary, and higher education. The Journal is a platform for exchange of original ideas with particular emphasis on application. We welcome empirical and theoretical research papers, as well as papers on innovation of teaching techniques and technologies, and position papers.

ABSTRACTING AND INDEXING

European Journal of Science and Mathematics Education (EJSME) is listed by the following indexes, databases, directories, or libraries.
